

Promote Your Business and Support Local Youth

Thank you for your interest in supporting Todd Martin Youth Leadership's Summer Tennis, Life Skills and Leadership Program.

For Summer 2024, we are offering advertising space on the back of our staff and participant t-shirts. Each of our summer tennis participants receives a t-shirt as part of registration, and staff members are required to wear the TMYL t-shirts as part of their uniform. These same shirts will be distributed and worn throughout our after-school programming, lunch time tennis programming, Friday night tennis, and other TMYL events as well. Your donation purchases advertising space for one calendar year and will be seen six days a week at various sites around the Lansing-area.

Please see details on the next page about space and pricing.

Again, thank you for your support of Lansing's youth and for your partnership in preparing TMYL participants for success as individuals and as active, responsible citizens.
